

Course for Aspiring Calligraphers, suited for children and adults. The course consists of a copy book with empty spaces to fill and write in. Once the book is completed, if you write a page with calligraphic letters and send it to the teacher, you'll receive a certificate, signed by Monica Denigo.

The price for the copy book in A3 format with thick pages, and the wooden stick for writing is Euro 60.00. Mailing costs vary according to the country where the book is going to be sent.

Some copy book pages:

This is a journey to discover the forms and history of the latin alphabet. Some letters are solid and geometric, others are round and small, others still thin and dark. After writing them all, take a sheet of paper, fill it with calligraphic letters of your choice and send it to my address, I will mail you The Young Calligrapher's Certificate.

This one lesson course is an introduction to calligraphy. In the copy book that you'll receive there are all the easy steps to write with two entertaining instruments: a squared edge wooden stick and a double pencil.

What you will receive: An A3 copy book on which you can write with ink or watercolors, and a squared edge wooden stick for writing.

The copy book contains all the most important hands and suggestions to write with the wooden stick or with the double pencil.
